

## DISNEY DOLLIE MEET UP AT MAGIC KINGDOM

ON APRIL 4<sup>TH</sup> 2025 at the Magic Kingdom in Walt Disney World Florida

Grab an ice coffee to go from the Magic Kingdom's Starbucks on Main Street USA and meet up with us in front of the castle for a Disney Dollie Meet up with Mama Coly and the Disney Dollie ambassadors for a fun day filled with childhood nostalgia and reborn therapy representation as we gather all together to celebrate our loving community. We will have a couple of ice breaker games, and a raffle to win some amazing prizes.

We will also be taking group photos in front of the castle together and we will also be doing a couple of rides together and a show. This won't be an all day type of event, so feel free to stop by at the beginning of the event and enjoy the rest of the day with your family.

Our theme for this event is to dress like your favorite Disney Character (remember full cosplays are not allowed) and dress up your reborn like the character you have chosen. So bring your favorite reborn baby and bring your strollers and carriers for a fun filled Disney Day!

- Our event will start promptly at 1130 am and will meet up at the Hub grass in front of the Plaza restaurant. There will be a castle show going on, but there will be a break for about an hour in which we can start the games without having loud music draining our voices. Our games and raffle will begin at 12 PM, so please do not be late for this important date.

- After our games, around 1 PM, we will head over to Fantasy Land to ride "It's a Small World" and then after, we will see the PhilharMagic show together. If you would like to

stick with us longer, we will head over to Pecos Bill for a lunch. All meals will be covered by the individuals attending. At Pecos Bill there are burgers, nachos and tacos and plenty of seating.

- After we are done eating, we can head over to the Jungle Cruise for one last ride together.
- If you have any questions, please reach out to our assistant event coordinator Leashie by emailing her at [Alicia.Vaillancourt@Wyn.com](mailto:Alicia.Vaillancourt@Wyn.com) . She is also available to help book your Disney Tickets for you as she is a Travel Agent.

Side note:

Tips for security, bring your doll in your arms when approaching security and let them know it's a doll. They will have you walk through the scanners with your doll and bags. With a stroller, you will have to enter through a specific stroller passage and remove everything from your stroller to proceed forward.

Since most of us have hyper realistic dolls, its best to treat them like real babies in this theme park scenario for the sake of cast members operating rides. All strollers need to be parked outside, if you need your stroller as a walker, you can head over to guest services and explain how the stroller is used to help as a walker and they will give you a wheelchair stroller pass to bring your stroller through the line.

All reborn dolls should be treated with safety in mind, so make sure your doll is not going on something like Space Mountain or Tiana's Bayou adventure and stick to easier rides that have no height requirements like Haunted Mansion.

All dolls must be under the lap bar to ride on your lap, so keep that in mind please. If you leave your doll behind, cover them up with a blanket and bag to anchor it. Cast Members finding a hyper realistic baby doll in a stroller left alone will cause a scene and security will get involved.

This will help us not seem like an annoyance to cast members and we really don't want a bad reputation by bringing our beautiful dolls to the parks.

Please RSVP at least a week in advance so that can plan ahead for the event.

Thank you!
